Note:

\$60 recommended spending money for snack bar and other activities. Jr High Ministry is not responsible for money or articles that are lost or stolen. Please plan accordingly.

Packing Your Gear:

If you don't have a suitcase, please pack your gear in flexible, crushable storage bag (Duffel bag, frameless pack, etc.) Limit yourself to one piece of luggage.

Marking Clothing and Personal Property:

We suggest that all personal property be marked, using permanent making ink with Camper's name and telephone number.

***Prescribed Medications, Vitamins & Supplements:**

These will be collected and dispensed by the camp health center. We consider any vitamin, supplement, or over-the-counter therapy that is taken to treat a condition or maintain health to be a “medication”. We are not able to give a medication that we cannot identify and dose from the original container. Sending medication in anything other than the original container may result in the camper not receiving it.
